

# Master Gardener Lecture: Figs

[Events - Montgomery County Public Libraries](#)

**Saturday, November 08, 2:00pm - 3:30pm, 1st Floor Meeting Room**  
**[Rockville Memorial Library](#)** 21 Maryland Ave, Rockville, MD 20850

Join Master Gardener, Dr. Jafar Vossoughi, to learn more about the fig fruit and plant.

Do you love fig trees? The fig is a peculiar and underestimated fruit with a very rich history. Dr. Jafar Vossoughi, retired bioengineering professor and a Master Gardener, will present a comprehensive talk on the small, unusual fruit, the fig. The presentation will cover history, botany, biology, and information specific to the cultivars suitable for our region. A short review of the medicinal, nutritional, and culinary aspects of this fruit will also be discussed.

Questions about this program? Contact the branch at 240-777-0140.

Don't have a card right now? No worries! Find out how to [Get a Library Card](#).

Library Program Attendance (both virtual and in the branch) is limited to participants within the suggested age range of the program. Children attending an MCPL program under the age of 8 must be accompanied by an adult. Adults attending a program intended for children must have an accompanying child.

If you plan to attend with a group of ten or more, please contact the branch at least one week before the program to discuss how your group might be accommodated.

## **Accommodation Requests**

People who are Deaf or Hard of Hearing should request [English-language captioning or sign-language interpretation](#) at least five days before the library-sponsored program they plan to attend. Contact the Assistant Facilities and Accessibility Program Manager at 240-777-0002 with all other accommodation requests.

Library customers can get 90 minutes of free parking when they park in Garage B
